

# CONGRESS CAN'T COVER THIS...

**BUT DAIRY FARMERS' BACKSIDES MUST BE PROTECTED FROM THE POSSIBILITY OF PROCESSOR COERCION.**

The proposed Dairy Forward Pricing Program in the dairy subcommittee mark provides no protection for farmers who have little choice in milk buyers. No farmer should be forced to sign a forward pricing contract in order to find a market for their milk.

We urge the full House Agriculture Committee to add dairy producer protections or strike forward pricing from the bill.

**FIX IT OR FORGET IT.**
